From Jane, for our prayers:

June takes us into the golden months we've all been waiting for with high hopes of summer, cold drinks and warm evenings. It means Wimbledon and the first Test match, people sitting out and children joyfully playing in the park. Thank you, God, for the pleasure we have (or have had!) in sport - playing or watching. May our children and young people experience that same exhilaration in your thrilling gift of life.

June is often the month of fetes and fundraising events. Thank you for those who give themselves faithfully to the planning and organising of these events. We pray in particular for those who have responsibility for the finances of our churches. Bless them with the sense of a job well done.

June is the month when our children and young people finish their exams. Help them in the final run-up to the exams to stay on task and focus on revision. We especially pray for those who struggle with anxiety over exams and often don't do themselves justice.

Lord God, this month belongs to you. Help us to live it fully and graciously, in the company of family and friends, with the family of the Church on earth and in heaven.

God of June, Lord of the year, lead us through this month with faith, hope and love. Amen.
