From Jane, for our prayers

And as we approach Easter in 2025, we pray:

Risen Lord Jesus, you caught the world by surprise when you broke the steel cords of death. Help us to believe that all things are possible, that nations can make peace, that men and women can love their enemies, that justice can prevail and the meek can inherit the earth. Make us part of the revolution that your resurrection began, especially as we pray for Ukraine and Gaza.

Risen Lord Jesus, may this Easter story echo afresh around the world and bring millions to wonder, and to weep with joy at the entrance of the empty tomb. Amen.

With every blessing,
Jane

Our prayers are asked for:

We remember the families and friends of Mark Bradford and Diano Butcher in their mourning.

We celebrate with James and Coba as they prepare to get married.

We welcome Reuben into God's family as he is baptised.
