From Jane, for our prayers:

In July summer is upon us and rumours of sunshine prove to be true. We give thanks for the life-giving blaze of the sun pouring over our world, bringing warmth and growth and well-being. We also pray for people in countries where the sun is so hot, and water is so short that the temperatures are life-threatening.

In July schools are out and children are released to make the most of the summer with their friends and family. We recognise the importance of social media to younger generations in particular, and pray that, while claiming the benefits of an online world there is also protection from cyberharm.

In July church programmes slow down and we ask this gives us an opportunity to refocus on you at the centre of everything we enjoy - giving us life in its abundance.

God of July, Lord of the years, lead us through this month with faith, hope and love, Amen.

With every blessing,

Jane
